1. Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

2. HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

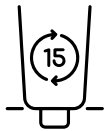

HP LaserJet Tank 1005w

Get ahead with quick 15-sec self-reload, 29 paise per page, and up to 5X high quality pages

Switch to smarter, more innovative printing with fast, efficient performance up to 22 ppm, 25k duty cycle, and seamless connectivity on the go.

Best for businesses that print more everyday

15-second, easy self-reload¹

Quickly restore toner levels—no mess, no stress!

Sustainable printing

The Original HP Toner Reload Kit has a unique design, made with over 75% less plastic⁴.

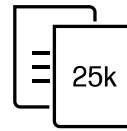

Up to 5X print yield

Get up to 5,000 pages² right out of the box.

HP Smart Advance⁵

Connect easily with HP Smart Advance app.

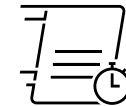

Up to 25k pages duty cycle

Enjoy hassle-free printing.

HP Wolf Essential Security

Prevent hacks and attacks with HP Wolf Security.

Fast printing

Print fast up to 22 ppm.

1. When used in accordance with instructions. Average reload time based on HP internal testing. 2. Actual yield varies considerably based on content of printed pages and other factors. Average based on ISO/IEC 19752 and continuous printing. Additional printed pages require toner reload. For details, see www.hp.com/go/learnaboutsupplies. 3. Indicative Cost per page; derived from 5,000 pages yield TRK with MRP ₹1,464.00. Applicable on one side printing only. 4. Over 75% plastic reduction is calculated by comparing the weight of the plastic in HP Neverstop Laser 103/143 A/AD and HP Laser NS 108 A/AD Toner Reload Kit and its packaging. 5. HP Smart app Advance available on Wi-Fi printer models only.

1. When used in accordance with setup instructions. 2. Wireless direct printing is supported on the 415/416/419 model only. Mobile device needs to be connected directly to the Wi-Fi Direct signal of a Wi-Fi Direct-supported All-in-one or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. 3. Either after first page or after first set of ISO test pages. For details, see hp.com/go/printerclaims. 4. The HP Smart app is supported on the 415/416/419 model only. Compatible with iPhone 4 and later, iPad fourth generation, iPad mini, iPad Air, iPod 5G using iOS 7 or later, and mobile devices using Android™ 4.0.3 or later. Features controlled may vary by mobile device operating system. For mobile scanning, device camera requires 5 megapixels or greater with autofocus capability. 5. Average page yields and costs per page are based on continuous printing of ISO 24712 test pages and manufacturer recommended price of replacement ink bottles. Cost of other replacement parts excluded. To print content with black and colour, all four inks must be present for combined cost of 29 paise per page. Actual page yield and cost per page vary based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information, see hp.com/go/learnaboutesupplies. Whichever is earlier from the date of purchase. *Terms and conditions apply. *6-hour installation is valid on select HP Ink Tank and HP Smart Tank printer models. Only repair available on HP Ink Tank 115, 316, 416 and HP Smart Tank 500, 521, 525, 585. Introducing two new exclusive services, HP Live Lens (available for all HP customers) and HP Call Me Back (available for Spectre, Omen, CTSS, CISS, and A3 customers only). *T&C apply. *Finance offers applicable on select stores only. *MRP conditions apply.

HP Ink Tank printers

Something new to learn everyday

Build a strong foundation for your child's future success

We understand that young learners need to develop an interest in learning, and a deep understanding of fundamental concepts. We believe that a strong foundation in education can help you steer your child to success by focussing on real learning outcomes.

At HP Print Learn Center, we give you the tools and techniques to teach your child age-appropriate 21st-century skills to build a strong base for future success. Here you will find learning resources designed by India's leading early years educators. These resources are in the form of structured, progressive worksheets, and guided video tutorials to drive specific learning outcomes while engaging your child in paper-pencil tasks.

- Designed to engage children of 3-12 years of age
- Subscribe today to HP Print Learn Center
